DR. DOMINIC F. DIXON

40 days a JOURNEY to holiness^{devotional}

Dr. Dixon's book on "A Journey to Holiness" is a reflection of his personal journey to holiness. Knowing him for over a decade and being his spiritual elder brother, I can say with confidence that he has been striving to walk with God and this walk has not been easy for him and it is never easy. The gate is narrow. On this journey that he has embarked on, he echoes God's voice to the Church as Prophet Elijah did. This book will surely help every Man and Woman on their journey to holiness.

Simon Rodrigues – Chairman – Bangalore Catholic Charismatic Renewal Services (BCCRS)

"Suppose that God wishes to fill you with honey [a symbol of God's tenderness and goodness]; but if you are full of vinegar, where will you put the honey?" The vessel, that is your heart, must first be enlarged and then cleansed, freed from the vinegar and its taste. This requires hard work and is painful, but in this way alone do we become suited to that for which we are destined"
